# OUR ACTIVITIES

## E & I Construction

Electrical & Instrumentation Construction, Erection Testing, Pre-commissioning, Calibration & Commissioning.

## Mechanical (MOC capabilities)

All types of Pipe lines fabrication and site installation, in accordance to MOC packages and Projects. Pipe line modifications & partial replacing jobs. Static & Rotating Equipment's Repairing and welding Furnace Re-Tubing and welding. Boiler Re-Tubing and welding. Duct fabrication and site installation. Structural Plat forms and supports fabrication.

## Electro Magnetic, Hydraulic & Pneumatic Services

Motor Rewinding /Generator rewinding /Compressor Repair & Servicing / Transformers, Gearboxes Overhauling /Hydraulic & Pneumatic equipment repair & servicing

## Contracting

Industrial & General Contracting for Civil, Mechanical, Electrical, Instrument & Valves.

## Operation & Maintenance

Total Plant / Facility Operations, Maintenance, Schedule / Emergency Shutdowns, Supply of Equipment, Materials, Tools, Logistic & Handling, Preventive & Corrective Maintenance.

## Bezel Information Technology Enabled Services

- Security Solutions
- Networking & Data Centers
- Fiber Optic Solutions
- ERP Solutions
- Resource Plus – HRMS Solutions

## Support Services

Supply of Highly Skilled Managers, Engineers, Inspectors, Designers, Technicians and all Crafts.

## Valves & Instrumentation

Refurbishment, Complete Overhaul Services, Maintenance & Calibration of all types of CV, PRV, PSV, Mechanical Valves and Field Instruments.

## Heavy equipments

Leasing and rental of heavy equipment such as Cranes, Dozers, Trucks, Trailers, Forklifts, Welding machines, Generators, etc.

Bezel Arabia Company Ltd.

# Electrical & Instrumentation Construction, Mechanical (MOC) Services

*We provide full spectrum of Electrical, Instrumentation Construction & Mechanical (MOC) Services through our experienced and professional project execution teams. In addition, we are committed to our clients for excellent services through our Quality Assurance, Safety Concern, Well planned Productivity and Cost Control Systems.*

## Instrumentation

- Installation of Field Instruments, Transmitters, Analyzers, Valves etc.
- Fabrication & Installation of Stanchions, Sunshade for Instruments
- Main Cable & Secondary Cable Laying & Termination
- Impulse Tubing Installation
- Pneumatic Air Supply Pipe and Tubing Installation
- Cable Tray, Cable Ladder, Cable Trunking and Conduit Installation
- Installation of Junction Boxes with respect to area classification with termination of Cables
- Installation of Marshaling Panels, DCS/ESD/PLC Cabinets and Operator Stations with laying of System Cables.
- Calibration of Instrument
- Pressure Testing for Impulse Tubing
- Leak Testing for Pneumatic System
- Analyzer House Installation and Assembly
- Continuity and Insulation Test for Cable
- Loop Checking
- Assistance for Commissioning to Vendor for DCS/ESD/BMS & PLC work in CCR
- Pre-Commissioning and assistance on Commissioning
- Preparation and submission of as-built mark up drawings/Loop folders after completion of the job.

## Mechanical Services

### MOC capabilities (Management Of Change)

- All types of Pipe lines fabrication and site installation, in accordance to MOC packages and Projects.
- Pipe line modifications & partial replacing jobs.
- Static & Rotating Equipment's Repairing and welding
- Furnace Re-Tubing and welding.
- Boiler Re-Tubing and welding.
- Duct fabrication and site installation.
- Structural Plat forms and supports fabrication.

## Electrical

- Installation, Testing & Commissioning of Transformers
- Installation, Revamping, Testing & Commissioning of LV Panels & Switchgear
- Installation, Revamping, Testing & Commissioning of MV Panels & Switchgear
- Installation, Testing & Commissioning of UPS System
- Laying, Splicing, End Termination of HT Power Cables.
- Laying, Testing & Termination of LT Power & Control, Grounding Cables
- Installation, Testing of HVAC Units & System
- Supply and Installation of fire fighting system with fire alarming equipment.
- Supply, Installation, Testing & Commissioning of Motor Soft Starter
- Installation, Testing & Commissioning of Cathodic Protection
- Installation of Lighting System

## Contracting

- Industrial Plant Maintenance
- Facility Construction and Construction Management.
- Industrial General Contracting.
- Electrical and Instrumentation & Automation Services.
- Civil Works / Structural Steel Fabrication/Erection.
- Contracted Engineering, Technical, Admin. & IT Consultants & Staff
- Supply of Equipment, Materials & Tools
- Logistics and Haulage

## Operation & Maintenance

- Total Plant/Facility Operation & Maintenance
- Maintenance Appraisal & Strategy.
- Scheduled/Emergency Maintenance & Shut downs.
- Preventative Maintenance
- Procurement/Vendor Management

## Support Services

Customer Support Division that provides services of highly Skilled Engineers, Technicians, Architects, Inspectors, Admin. Staff to shape the Industries for a better tomorrow

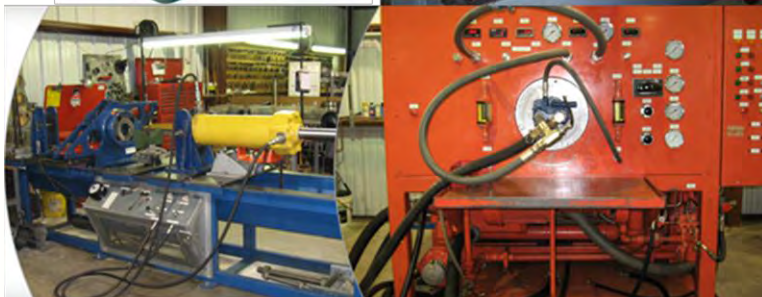

## Valve & Instrumentation (Repair & Calibration)

### Valve conditioning services:

- Annual Maintenance Contracts - all types of Valves Reconditioning.
- Valves Repairing & Testing during Annual Turn around (ATA)
- Shut Down and Emergency Valves Maintenance.
- Safety Valves Recalibration & Testing (Pop Test)

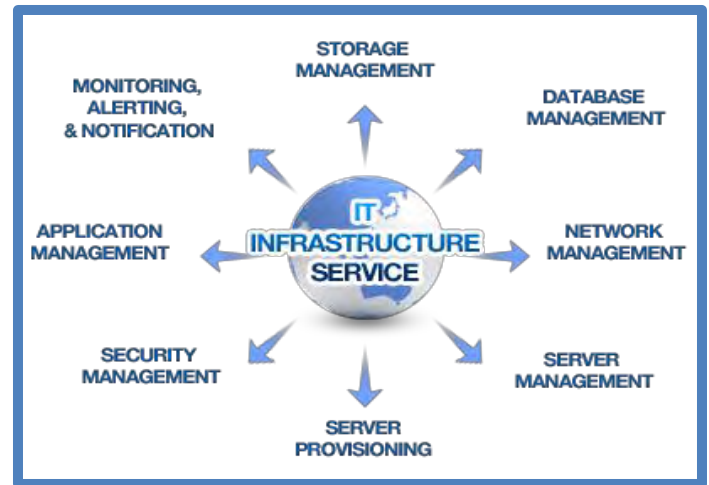

## Electro Magnetic, Hydraulic & Pneumatic Services

Motor Rewinding /Generator rewinding /Compressor Repair & Servicing / Transformers, Gearboxes Overhauling /Hydraulic & Pneumatic equipment repair & servicing

## IT Infrastructure

- Data Center Design & Implementation
- Network Design & Implementation
- Firewall and Network security Implementation
- WAN Optimization Solutions
- Branch Office connectivity (IPSEC/VPN/MPLS)
- Server Virtualization
- SAN & NAS storage Implementation
- Backup & Recovery Solutions
- Disaster Recovery Solutions
- Email Archival solutions
- Secure FTP Solutions
- IT Strategy planning and execution
- Vulnerability Assessment
- End Point Security Assessment
- IT Baseline standards design & deployment
- IT Risk-Management and Governance
- ITIL & COBIT framework implementation
- IT Help Desk and Support management

## Software Applications

- Open Source ERP, CRM Solutions
- Microsoft Dynamics Axapta and CRM
- Resource Plus - HRMS Solution
- Custom Application Development & Support
- Business process reengineering and automation
- Website development and Online payment integrati
- Document Management Solution

## Security Systems

- CCTV Surveillance System
- Access Control and Attendance management
- Barcode and Asset Management Solutions
- BMS Solutions, Lighting Control / Power Saving
- HVAC
- Fire Protection Solutions
- UPS / Solar Solutions

## Fiber Optic Solutions

- Design & Implementation high performance Fiber, Copper and Microwave networking solutions
- Branches connectivity with Point to Point up to 1 GBPS
- Public Address & Counter Communication Systems
- Automated Fare Collection
- Master Clock System
- Secure high performance Wireless Solutions
- GPON and EPON
- Unified Communications, Video Conference and VOIP
- System Integration and supply of IT equipment's

## Certificate of Registration

This certificate has been awarded to

**Bezel Arabia Company Ltd**

PO Box 917, Al Jubail 31951, Kingdom of Saudi Arabia

in recognition of the organization's Quality Management System which complies with
